

Brand Summary

Visual direction

Warm Editorial Guide Series covers paired with practical information-design interiors. The look should feel calm, trustworthy, human, and connected to mindfuldiabetes.org.

Core colors

Navy #0d1338, forest green #005030, coral-orange #f07239, cream #fffaf2, soft green #f0faf5, soft blue-white #f5f7fe, and neutral gray for secondary text.

Typography

Lora is used for editorial headings. Lato is used for body copy, labels, captions, buttons, page numbers, and references.

Logo use

Use the active square Mindful Diabetes logo without stretching, recoloring, cropping, or placing it on a visually busy background.
